High Hope Zhongtian Corp.

High Hope Zhongtian Corp., formerly known as Jiangsu High Hope Corp., was founded in 1973. We are the core member of Jiangsu High Hope Int'l Group Corp., which is one of the largest provincial foreign trade group in Jiangsu. After mergers and reorganization, we have a registered capital of RMB900 million. In 2017, we fulfilled import/export turnover of USD900 million, and total business income of RMB8.9 billion.

For years, we have been running based on main business, especially the multiple development strategy. Our thirteen subsidiaries have formed competitive advantages in the fields of international trade, real estate development, financial investment and manufacturing.

We aim to build a leading enterprise with modern supply chain. We are accelerating the transformation and upgrading. We are pursuing innovation and developing foreign trade of textiles, garments, pulp, and electronic commerce, "go out" and other emerging projects, etc. Our trade partners involve more than 130 countries and regions in the world. The comprehensive strength is steadily improving.

Over the years, we are certified by ISO9001, ISO14001 and OHSAS18001 standards and are entitled of " Provincial Civilized Unit ". The "JSTEX" brand has been awarded "Provincial Famous Int'l Brand of Key Cultivation and Development". Our real estate project has won the "Senior Green Architectural Design Certificate". Our investment sub-company has won many awards in their field. Their brand awareness and market influence are expanding.

OUR VISIONS

..... • • •

We uphold the corporate culture of “Excellent Faith, Extensive Operation”, and pursue the management concept of “Enterprise Development and Social Responsibility”. We are continuing, as before, to create an happiness atmosphere, and always insist on the attitude of "Honesty", "Pragmatic", "Professional" and "Efficiency", to serve customers and create value.
