## AUXILIARY

### 公司简介

烟台源明纺织科技有限公司始建于2000年3月，注册资本1000万元，是专业从事纺织品印染前处理助剂、后整理助剂研发、生产、销售的科技型自营进出口企业。公司通过ISO 9001质量管理体系认证和环境评价认可；产品获准使用Intertek绿叶标志；被认定为“烟台市科技型企业”；公司技术中心被誉为“烟台市环保型纺织印染助剂工程技术研究中心”。公司拥有自主品牌助剂产品30个系列300多个品种，年生产能力15000吨，产品销售国内11个省、市和出口印度、越南、秘鲁等国家和地区，年销售收入12000万元。

公司坚持自主研发、科技创新，积极探索、推进纺织印染助剂产业链延伸和产品结构优化；针对客户需求定制专属方案，创新工艺、提供最适宜产品，为客户解决生产过程中实际问题。在非硅、多元胺段硅油系列产品工艺及助剂、纺织品一步法室温前处理工艺及助剂、纺织品连续冷堆前处理工艺及助剂等差异化产品研究、应用方面取得了实际性

突破；多项科研成果荣获国家发明专利，另有两组科研项目列入山东省、烟台市科技发展计划。

烟台源明以“卓越的纺织品印染助剂专家”之誉，以规范化、品牌化、专业化、定制化的竞争优势，踏入全国纺织印染助剂业领军之列；源明助剂在客户实际应用中逐步显现出特有的品质和不可替代的优势。烟台源明愿与业内专家联手创新，为纺织印染助剂研究、开发、应用独树一帜，竭诚为客户提供满意的产品和优质的服务!

### Yuan Ming

### COMPANY PROFILE

structure extension and optimization. Providing customized products as well the most suitable technological program. Making great breakthrough in several main area as non-silicon and multiple block silicone series, one step indoor temperature pre-treatment, pre-treatment process for textile continuous cold batch and applied auxiliaries and preparation method. These programs some had got national invention patent and listed in provincial scientific and technical innovation project.

Yantai Yuanming is famous for "experts of distinguished textile auxiliaries"; we are leader in the national textile and printing industry with the standardization, branding, specialization and customization competitive advantage; Yuanming Auxiliaries gradually reveals unique qualities and irreplaceable advantages in the practical application of customers. Yantai Yuanming is willing to work with industry experts to innovation, research, development and application of its own for textile printing and dyeing auxiliaries, and give customers with satisfactory products and excellent service!

Yantai Yuanming Textile Tech. Co., Ltd established in 2000, registered capital 10 million RMB. Company located in Yantai hi-tech zone, which engaged in research and development, production and sales and maintain a high reputation in domestic market. Yuanming Textile has passed ISO9001 quality management certification and Intertek certificate. Company was identified as Yantai scientific and technological enterprise; R&D center was evaluated as environmentally friendly textile auxiliaries engineering center by local government in same year. Core business: textile dyeing pre-treatment products, finishing auxiliaries with 30 series and more than 300 varieties. Company annual production capacity is 15,000 tons, which occupied sales in 11 provinces of domestic market and exported to India, Vietnam, Peru etc. of foreign market. Annual sales revenue exceed 120 million RMB in the average.

Yuanming company insist on self-researching and developing science and technology innovating, and promoting textile auxiliary industry chain and
