

About Zhongtian

ABOUTUS

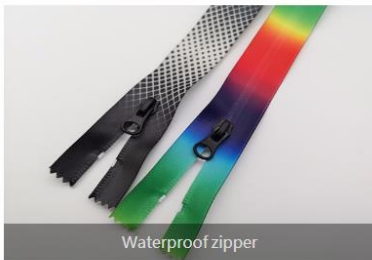

Suzhou Zhongtian Zipper Manufacturing Co., Ltd. is a company specializing in zipper production and sales. Founded in 1999, the company is located in Changshu Hongqiao Development Zone and has advanced domestic and international automatic equipment. After years of struggle, the company has continued to expand, the equipment has been continuously updated, and it has been favored by domestic and foreign merchants. The products are sold well in many cities and overseas regions. With the technical strength of the backbone, the company has formed a team of students with professional life, management science and humanization, and international management. The company pays attention to strengthening and perfecting the business strategy of the company. The company is based on quality and the team is enterprise. The principle of core strength; the company's external customer-oriented, service-oriented, quality-oriented philosophy continues to carry out institutional innovation, model innovation and technological innovation research and exploration. The excellent quality Zhongtian products are your ideal choice. Zhongtian Company,
