

Our honors and Certificates

Our story started from 1993, we began to make sewing threads as a family workshop with 5 family members. Mingrong Thread Industry Co.,Ltd. was registered in 1999, we invested a lot of advanced equipments and machines, not only manufacturer of sewing threads, but also embroidery threads and other threads. With our own dyeing and winding factories, the capacity is 20 tons every day, more than 500 colors available. "Minglong" is our registered trade mark, and it's very famous in China and abroad.

"Minglong" threads have been exporting to Southeast Asia, Middle East, North Africa and Middle Asia from 2000. Our export amount in 2011 achieved 10 million USD, and the amount is increasing year by year.

Good quality, competitive price, good service and harmony relationship with employees and environment are our value and focus for always. Our company is working under the management of ISO9001:2000.

We supply threads as per our shade card with our own brand, OEM is also acceptable, customers can customize with their own brands, colors, weights and packing.

In 2005, we invested in denim fabric manufacturing company, which located in Guangzhou, we have 30% share of the company. With 80 sets of PICANOL looms (including 40 sets 220cm width), capacity is 800,000 meters every month.

In 2013, we invested 40% share in a garment accessories factory, which located in Yiwu. The products include zipper, button, hook loop, etc.
