

ABOUT US

Changzhou Haode Textiles Co., Ltd. is located in the "China Textile City" - Hutang in Wujin City, Changzhou City. It is a textile enterprise encompassing weaving, printing, dyeing and trading.

Our company has 768 "230"-type Cambridge looms mainly producing medium and thick fabrics including "corduroy, canvas, single yarn drill", as well as 45 "TOYOTA" looms imported from Jan mainly producing high-counts and high-density high-class fabrics including "drill, jacquard, spandex satin drill and spandex flax/silk".

The products are sold in domestic market basing on "no defective product". Meanwhile, they are sold in all courtiers and regions in the world including Japan, Korea, Europe, America, India, Africa and so on, and are highly praised by numerous clients.

With "First-class brand and quality, first-class service", we wish both new and existing clients all over the world to contact and talk business with us.
