Line of Business

Subject is mainly engaged in sales of fabrics, home textile products, articles of daily use.

We can control the whole production produces, from the beginning of weaving greige. Also we can apply different kinds of greige to the clients worldwide.

PRODUCTION PROCESS

Dye factories spread all over China ,
major of them located in Jiangsu ,
Zhejiang,Shandong Province .

PRODUCTION PROCESS

Printing factories also play important roles during our production process and we can make normal print, digital print also special print on different fabrics.

PRODUCTION PROCESS

Besides solid and printed fabrics ,we are also skilled in yarn dyed fabrics .We devote ourselves to offer good price and nice service , we insist on high quality always , above all we really care about the win-win situation between the two sides. We are responsible for the whole production process and after-sale service. We make sure that the products will be inspected and packed carefully before delivery.

BUSINESS PROCESS

We did business with people all over the world and the products sold to different area. We also made a lot of friends during the business process. We are looking forward to your coming and anything you are interested in please feel free to let us know it.
