OEKO-TEX®
CONFIDENCE IN TEXTILES

CERTIFICATE

The Company

Zhongshan Henglan Huafeng Fine Chemical Factory
No.21 Yongxin Industrial Road,
Xinfeng Village, Henglan Town,
Zhongshan, Guangdong, CHINA

is granted authorisation according to ECO PASSPORT by OEKO-TEX® to use the OEKO-TEX® mark

for the following chemical products

Product(s): See attached enclosure
Category: Adhesives

Supporting documents

- Declaration of conformity in accordance with EN ISO 17050-1 included in ECO PASSPORT by OEKO-TEX® Terms of Use.
- Analytical test report number: SH150 152711.1
- RSL Screening Report
- Detailed information about the components and safety data sheets of the chemical products mentioned above.

The above captioned product(s) can be used for the production of human-ecological optimized textiles. The combined results of the reports mentioned above reveal that there is no harmful effect on the human and environmental health of the textiles treated/finished with the above mentioned products. This evaluation used the test methods and requirements of the ECO PASSPORT by OEKO-TEX® that were in force at the time of the evaluation date. ZDHC MRSL Conformance Level 1 is achieved for certified product(s) without restriction(s).

The certificate SH150 152711 is valid until 30.04.2020

TEST REPORT NO. SH150 152711.1

Page 1 of 10

Test material: RT222W Super-strong Antifreeze White Adhesive, RT222 Super-strong Antifreeze Primer

SUBJECT OF ANALYSIS

According to your order dated 18.03.2019 analysis should be carried out on the samples received on 25.03.2019. This order and the tests are related to your application for the certification of your adhesives according to the ECO PASSPORT by OEKO-TEX®.

RESULTS OF ANALYSIS

The results of the analysis we have carried out are summarized in the following tables.

SUMMARY

The test methods and requirements according to ECO PASSPORT by OEKO-TEX® were used as basis of evaluation of the products.

The test results show that the adhesives do not contain substances regarded as harmful according to the standards of ECO PASSPORT and are therefore suitable for use without restriction in the production of human ecologically-optimized textiles provided the manufacturer's instructions are observed during the application.

Please find your ECO PASSPORT SH150 152711 together with the corresponding RSL-Report enclosed with this test report. It is valid for the period of one year and can then be renewed.
