

## ZHEJIANG AMP ORIENT IMP & EXP CO., LTD

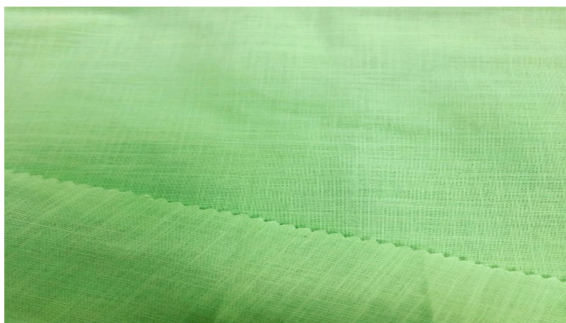

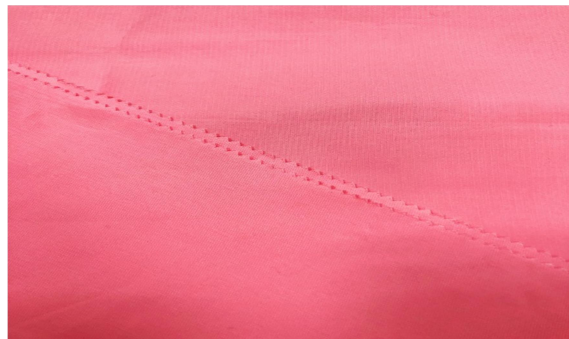

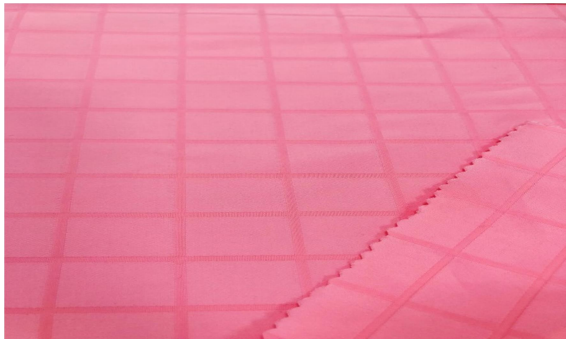

Since 1995, ZHEJIANG AMP ORIENT has been serving its customers for over 15 years. Specializing as a manufacturer and exporter, ZHEJIANG AMP ORIENT has been dedicated to the production of high quality cotton textiles. Our main Products include: spandex, satin, poplin, jacquard, as well as imitation bamboo, linen, denim, etc., all for use in high-grade garments. We also produce a variety of custom-made fabrics to satisfy specific customer needs.

In 2010, we embarked on an innovative transformation which included a capital investment of forty million dollar in technological improvements. Today, we are equipped with 360 Toyota air-jet looms (model 810 & 710) and 120 Japanese Jacquard dobbies.

Our high quality products and outstanding reputation, has enabled AMP to earn the confidence and loyalty of both domestic and foreign customers. At AMP we believe that each stitch needs precision and each thread needs excellence. All garments made with our textiles are sturdy, durable and always look new. We would be pleased to answer your questions and look forward to working with you!
