WHAT IS GOSOURCING 365 ?

GoSourcing365 and its affiliated websites are owned and operated by GoSourcing LLC based in New York, a leader in Networking, Information, Buyer-Seller Platforms and operating across 4 continents of the world.

GoSourcing365 is a Global B2B Networking & Sourcing platform for connecting with Worldwide Manufacturers & Suppliers of Yarn, Fabric, Apparel, Home Textile, Trims, Accessories and Dyestuff & Chemicals. With GoSourcing365 now going 'Virtual', it makes GoSourcing365 the first-ever and only B2B Networking & Sourcing Platform in the world to offer such direct Virtual communication services to its users (Live Chat, Call, Video Conferencing), focused on the Global Textile & Apparel Sourcing sector.

With this great new feature available to all Manufacturers who are on GoSourcing365, Buyers will be able to directly connect with the Manufacturers & Suppliers directly from their Dashboard through Live Chat, Call, or Video Conference, 24 hours a day, 365 days a year. Meetings can also be scheduled beforehand to make it convenient for both Suppliers and Buyers.

Unlike other Online B2B Sourcing platforms which cater to an unfocused audience in multiple sectors under a single website, GoSourcing365 is exclusively focused on the Textile & Apparel Sourcing sector only.

The Online marketplace is now playing a dominant role in International Fabric and Apparel sourcing with manufacturers taking to B2B Sourcing Platforms to showcase their products & services and buyers too aiming at such platforms to save time & explore competent Apparel manufacturers worldwide, better quality and competitive deals.

GoSourcing365, now with its Virtual features provides an extensive Global B2B Sourcing Platform for the entire Textile & Apparel sourcing sector where Apparel buyers can see, compare, connect through Live Chat, Call or Video Conference with manufacturers for their Sourcing needs; Apparel factories can use this platform for their Fabric Sourcing and reaching out to Trims & Accessory suppliers; and it also assists Textile factories for Yarn & Fabric Sourcing and Dyestuff & Chemicals for their needs.

GoSourcing365 reaches out to worldwide buyers with its unique platform for the entire Textile & Apparel sector, with its extensive promotion program focused to highly potential markets in North & East Asia, Austral-Asia, Africa, Europe, North America, and South America.

WHY

B2B E-COMMERCE IS SUCH AN IMPORTANT PART OF TODAY'S WORLD

Simply put, because the world is moving more and more into the digital realm every day. According to marketing research firm Coleman Parkes, 21-40% of a business's contributions are a direct result of B2B E-Commerce and that number is expected to grow rapidly over the coming years. With the growing impact of the digital community affecting the way business is done in today's world, now is the time to start thinking about a B2B E-Commerce solution.

Buyers around the world now want to search & find products and network with suppliers fast. With a B2B Virtual E-Commerce solution like GoSourcing365 focused exclusively to the Textile & Apparel Sourcing sector only, buyers are able to see accurate information on products, Virtually connect with manufacturers and suppliers, compare, interact and finalize from whom they will source next. On GoSourcing365, buyers are also able to schedule Online meetings, Live Chat, Call or Video Conference with Manufacturers.

Instant access to information online also makes it easier for doing business. Today more than half of Global buyers conduct their research on their computers or smartphones looking for suppliers, reading about products, comparing features and interacting with the suppliers online for competitive deals. Our busy lifestyles mean that many of these activities take place on the go, between jobs or in meetings. An advanced B2B Sourcing Platform like GoSourcing365 is optimized for a high-quality experience to make Networking easy between Suppliers & Buyers and fast no matter where you are!

Also, listing your company on a dedicated B2B E-Commerce Virtual Sourcing platform like GoSourcing365 means attracting more new buyers which can also help boost your sales and revenues. Not only will you reach new customers, but your physical sales team too will be benefited from the launch of a comprehensive B2B E-Commerce promotional effort using GoSourcing365. It will also improve your sales teams' visibility into new customers and their interests in your products, pricing and requirements while on the road or working remotely.

The internet never sleeps. Being able to research and purchase online whenever and wherever the customer wants has fueled a steep increase in B2B E-Commerce usage.

Today is the world of B2B E-Commerce. Change comes quickly in the online world and companies that move quickly to assess and adapt the changes underway and adjust their business models to meet shifting market dynamics and customer demands can establish significant business leads using GoSourcing365.

Hence no Manufacturer or Supplier can afford to ignore the opportunity facing the success of their company. If you do not incorporate B2B E-Commerce promotion into your business plan today, you will probably be missing out on sales and long-term deals that will determine the future of your company. B2B E-Commerce engages worldwide customers and promotes further interaction. That's where a Virtual B2B Sourcing platform like GoSourcing365 steps in for you as a dedicated Global Sourcing platform for Apparel, Yarn, Fabric, Trims, Accessories and Dyestuff & Chemicals.
