XIAMEN MC GROUP CORP. LTD.

厦门明承环保科技有限公司
XIAMEN MC GROUP CORP.LTD.
WWW.POLYESTERYARN.CN

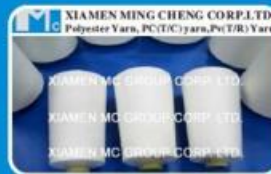

Founded in 1997, our company is a large-scale privately-run enterprise located in Zhangxi Industry Zone in Changle. Our company covers a land area of 350.5 Mu and is equipped with 500,000 spindles. Our investment is 280 million RMB. With more than 20 years' development, our company has persisted to develop famous reputation and multi-channels. Our products have been sold to more than 15 provinces in China and other countries. Our company passed the evaluation of ISO9001 certification in 2001 and awarded the "brand company" by the government of Fujian.

We adopt advanced production technics and high quality testing equipment. With more than 20 years' development, our company has become Well-acknowledged in the market with good commercial reputation. We hold a tenet of "developing with reputation, surviving in quality, and benefiting from management".

We started export since 2006. Our products are mainly exported to Southeast Asia, Europe, North America and Africa.

Following the philosophy of "quality is soul, reputation is life", we put customers foremost. We have done in the past and are doing today.

Welcome all old and new customers and all merchants engaged in yarn production and processing to negotiate business with us.
