

Profile

Enterprise Scale & Strength

Established in 2013, Nantong Zhongli NYLON Technology Co., Ltd is a private chemical fiber Enterprise specializing in research, development, producing and marketing all sorts of nylon 6 filament yarn products, one of nylon 6 yarn leading manufacturers. After years of development, the company has been awarded as "Contract Trustworthy Enterprise".

Zhongli located in Duntou Town, Haiyan Town, Nantong City, Jiangsu Province, which is a well-know special chemical fiber industrial zone in China, with a convenient transportation (around 300km to Shanghai port). Zhongli covers an area of about nearly 30,000 square meters, the registered capital is USD10,000,000 and total investment is nearly USD30,000,000. Zhongli has reached an annual output value of USD10,000,000.

EQUIPMENT & MAIN PRODUCTS:

Nantong Zhongli owns the latest advanced production equipment and machines, such as computer control spinning machine of Germany Barmag / Beijing Zhongli and computer control winding machine of Japanese TMT, Nantong Zhongli is equipped with 16 production lines of NYLON 6 POY and 8 production lines of FDY & HTY, have reached an annual capacity of 18,000 tons of POY & 8,000 tons of FDY & HTY by 2018. Nantong Zhongli also equipped with supporting production lines of PA6 DTY, Twist, Dope Dyed color yarn, Nylon 6 monofilament yarn, Low melted yarn, Spandex covered Nylon 6 yarn etc; And has succeeded to develop functional nylon 6 yarn, such as In-Situ Polymerized Graphene modified Nylon 6 Filament yarn, and Flame Retardant Nylon 6 filament yarn.

APPLICATION:

Our series of Nylon 6 filament yarn products are widely used in various of civil and industry area.

such as Socks, Stocking, Pantyhose, Seamless underwear, Hosiery, woven tapes, warp & weft fabric for Apparel, fabric basic of artificial leather, fabric of parameters, para-cord, Loop & Hook fastener, Gloves etc.

EXCELLENT QUALITY:

The scale and batch mode ensure the high performance of our products and significant supply of the goods and considerable technical support. With special technical team & quality control system, Owing in-house testing center to issue lab testing report of Raw material and finished products. The top qualified products & Rich professional service have help Nantong Zhongli win a significant footprint in the global market and win higher public praise from all of our customers.

STRICT MANAGEMENT:

Nantong Zhongli regards market-oriented policy, persists scientific management and technical innovation, adopts the ISO9001 quality control idea and implement 5S management strictly.

CERTIFICATE: OEKO-TEX STANDARD 100

OUR TEAM: Our people here is the core of our business. Our courage, hard working, profession, enthusiasm ensure our team and our business keeping on moving forward effectively and efficiently. Always satisfy our customers with the most competitive advantaged products and best service.

OUR MARKET: Wholly China market, Russia, Belarus, Ukraine, Romania, Turkey, Poland, Italy, Portugal, Egypt, Thailand, Sri Lanka, Bangladesh, Korea etc.

OUR CULTURE & VISION: Quality is Zhongli's Soul, Carry out strategy of sustainable development for century-old enterprise.
