

ABOUT US

ZHEJIANG JIASHAN YUEDA ARTIFICIAL FUR CO., LTD. is a manufacturer of knitted woolen fabric, knitted wool fur, fake fur fabrics, jacquard pile fabrics and bonding pile fabrics since 1998. It is located in Jiashan, a neighbor city to Suzhou and Shanghai. The factory covers 55,000 square meters and has complete advanced production line with 400 sets of machines.

The founder, Mr. Yuan has engaged in the line of pile fabrics and synthetic fur fabrics since 1985. With his leadership and long experience in pile fabrics, the company always focuses on the development and improvement of fur pile fabrics. It introduces new machines to develop new fashion fabrics almost every three years.

Now the factory has four workshops of computer-jacquard circular knitting machines which can monthly produce 500,000 running meters of jacquard fabrics and it has been known to many countries and districts, for its variety of pile fabrics to meet customers' different usage of the fabrics, and its great supplying ability and quality stability. And it consistently develop new designs as per customers' requirements and control quality in house. The products are mainly used for making garments, blankets, bed throws, plush toys, cushions, seat covers, shoes, slippers, hats, gloves, etc.

We warmly welcome customers to visit our factory and discuss business cooperation.
