

LASTINCH APPAREL PVT LTD

- In year 2014, we started with an idea of manufacturing clothing for plus size women in India. Our motive behind the idea was to make full figured women feel confident and beautiful irrespective of their size in Indian market.
- Our in-house brand LASTINCH (www.lastinch.in) is currently one of the leading Plus size online store in India. We have been manufacturing and delivering new fashion Experience to women with curves with a vast size range starting from UK8 – UK32
- We have been associated with India's top most online clothing websites like Ajio, flipkart and amazon.in.
- We have an in- house design and production Team working simultaneously together to achieve the best outcome to live up to the companies' image.
- We have by far manufactured a Huge variety in women wear such as- tops, bottoms, dresses, maxi dresses, beach wear , scarfs and all sorts of clothing.
- To expand further we have been exporting high quality fashion clothing for women in all categories worldwide.
- We are very flexible in terms of offering our in house styles or working on designs provided by the brands /boutiques.
